

# DEBALIVIERE PLACE SPECIAL BUSINESS DISTRICT

The DeBaliviere Place Special Business District is a special taxing district within the DeBaliviere Place neighborhood. Major services within the SBD include providing police patrols, monitoring security cameras, landscaping and maintaining Pet Waste Stations.

The meetings are open to the public. Residents and property owners are encouraged to express their concerns during the public comment portion.

### SBD UPDATES & Administration

The SBD's 2024 business is underway, with the board approving to continue the existing landscaping maintenance as well as expanding the Waterman lighting installation. The board also approved replacing a damaged light pole on Pershing and that process is ongoing.

There is currently an opening for a property owner on the board. If you are interested in applying, please visit the website for the application and reach out to Park Central Development with any questions.

Park Central Development administers the SBD. If you would like to reach out to PCD, you can contact Brian James ([brian@pcd-stl.org](mailto:brian@pcd-stl.org)) and he will be happy to communicate with you.

### Meeting Schedule

District meetings take place every third saturday of the month (next page for details on the next three meetings) Taking place at the Forest Park Visitor Center

-Saturday, April 20th, 2024 9am

-Saturday, May 18th, 2024 9am

-Saturday, June 15th, 2024 9am

### Project Updates

**Partnership with NSI:**

The Central West End Neighborhood Security Initiative (NSI) is a crucial partner in safety and security in the District. In addition to coordinating District patrols and managing security cameras, NSI participates in social service outreach.

**Local Involvement:**

Alder Lady Shameem Clark-Hubbard continues to support SBD-driven initiatives in making traffic patterns safer throughout the District.

**Waterman Lighting Project:**

The next phase of the SBD's lighting project returned from bid and will move forward through the City's contractor. The SBD voted to expand that project to the south side of the street, hoping to see 36 light poles installed in 2024.

**Additional stop signs** were installed at the intersection of Clara and Pershing, making it a three-way stop to promote a safer experience for both pedestrians and vehicles in the neighborhood
