Re: About DP SBD page, "Neighborhood" vs "within the District."

"Marketing, branding, and neighborhood promotion" is cited in "The "Debaliviere Place SBD Survey and Investigation" which recommended the formation of the DP SBD. Ordinance 69915 Section Five does not mention the "neighborhood" and states that the District revenues are to provide for "improvements, services and activities of the DISTRICT (my capitalization)." To avoid confusing the casual reader, website references to the "community" or "neighborhood" should be changed to "District residents" or "within the District." Thanks. Mike 454 1979

Editorial comment on site map: Users would be better served by changing the name of the "News & Meeting" category to "Announcements." Presently, It appears there is no easy way to delete the dated items. Mike 454-1979

Editorial comment on photos. Because the Board has a fiduciary responsibility for the District and not the two neighborhoods, the focus of this website should be on the District, i.e. "District Gallery" instead of "Neighborhood Gallery." Also, please note that generally neighborhoods are "historic" and societies are "historical." (Most would agree that the DPA was poorly served by their sign-maker.) This website can best serve our residents by directing them to the many official City Neighborhood and commercial neighborhood sites. Thanks. Mike 314 454 19

"Debaliviere Place Neighborhood Special Business District The Debaliviere Place Special Business (SBD) is a special taxation district within a portion of the Debaliviere Place neighborhood."

What is the easiest way to delete "Neighborhood" (in the blue lettering) and add "and a sliver of the Skinker Debaliviere neighborhood." (in the black lettering)? Thanks.
